

What's so perfect about *The Perfect picturewall*™ ?

SERIES 1000

The Perfect picturewall™ is a complete system for hanging ten frames (included) quickly and precisely anywhere in your home or business.

It uses our patent pending pre-view templates which will safely adhere to any surface and has a unique leveling system so all frames will be accurately positioned. Apply in just moments what formerly took hours of tedious trial and error.

Completely transform any wall into a photo gallery instantly. Decorator results without the professional fee.

Every detail has been carefully considered.

The Perfect picturewall™ is architecturally designed to fit industry building standards for walls and staircases.

**No measuring,
No figuring,
No fuss &.....
No mistakes!**
